Present were: Commissioners Leslie Van Beek, Brad Holton and Zach Brooks, Director of DSD Jay Gibbons, Assistant Director of DSD Joshua Johnson, Director of Constituent Services Aaron Williams, and Deputy Clerk Jenen Ross. The following items were discussed with the Board:

- Mr. Gibbons confirmed that the Board received the email from Mayor Kling yesterday. At the request of Commissioner Van Beek, Mr. Gibbons provided clarifying information on the Area of City Impact meetings that need to take place before the end of the year as recently required by legislation.
- P&Z will meet tonight to consider 2 sets of minutes and several sets of findings; there are also three hearings scheduled.
- Commissioner Holton asked about questions he's received regarding the county engineer being solely responsible for the approval, and the authority of the fire districts on a preliminary plat. He would like to have a workshop with the engineering firms to discuss their concerns. Director Gibbons will work with Constituent Services and reach out the engineering firms about participation.

Commissioner Holton motioned to adjourn the meeting. The motion was seconded by Commissioner Brooks and carried unanimously.
