PAYMENT TERMS & CONDITIONS:

(1-16-2022)

- DIMENSIONS:** This pricing is derived from the measurements and Scope of Work expressed in this quote unless otherwise indicated. Any variance in dimensions greater than 2% or any other surfaces to be padded (i.e., ceiling when not listed in both the plans and specifications) will need to be considered in the form of a written change order. When errors or conflicts occur in the contract documents regarding the placement of the safety padding, we will clarify our quote via the **scope of work** statement. Marathon Engineering shall be requested to revise the Scope of Work if the design intent differs from this scope of work before entering a contract. Failure to bring a required correction to the scope of work stated above to our attention rests with the entity entering this contract.
- PAYMENT TERMS:** A **forty percent (40%) non-refundable deposit** is due before the commencement of material production. The remaining payment terms are Net 30 from the date of invoice. Minor touch-ups/punch list items or owner delays shall not hinder payment. If full payment is not received within the allotted period; in that case, the Customer shall agree to pay Marathon's attorney fees and other costs of collection incurred by Marathon Engineering Corporation and a late monthly charge of 1.5% per month of all outstanding amounts. For projects with more than four (4) individual rooms, it is understood that Marathon Engineering Corporation will be paid for fabricated products stored at its plant within thirty (30) days of the invoice date. Marathon Engineering Corporation will issue appropriate Bills of Sale and carry insurance protecting such products.
- POWER REQUIRED:** The Customer must provide two (2) separate circuits with 110 Volts, 1 phase, and 20 Amp current power. Artificial light no less than 40-foot candles must be in each work area.
- INSURANCE & BONDING:** Marathon Engineering Corporation agrees to maintain sufficient Worker's Compensation and Liability insurance. Upon request, copies of certificates reflecting such coverage shall be provided to the Customer. **Pricing excludes any payment or performance bonding.**

5. **MOBILIZATION:** Unless otherwise stated within the above Scope of Work, pricing includes one (1) mobilization of materials and crew to the job site.
6. **STORAGE & REFUSE:** Marathon Engineering will be provided with storage space within the building or on the project site that is dry and securable.
7. **CONCRETE SUBSTRATE:** The Customer/Contractor attests that:
 - a. There is no contamination in the concrete substrate for the system to be installed;
 - b. The Customer/Contractor attests an effective vapor barrier exists under all concrete slabs on grade in areas receiving safety padding.Marathon Engineering Corporation will not warranty the failure of the Safety padding system due to slab vapor transmission or contamination in the concrete discovered after safety padding installation has begun.
8. **RETURNS & CANCELLATION:** Material is non-returnable. Once ordered, the Customer is fully responsible for payment.
9. **SCHEDULING:** This quotation does not imply or guarantee any specific dates for scheduling. Installation schedules will be finalized once a contract or purchase order is established.
10. **PROTECTION OF WORK:** Temporary on-site safety padding protection is not included.
11. **WARRANTY:** Marathon Engineering Corporation, the manufacturer, and installer for Gold Medal Safety Padding™, will supply a warranty for all material furnished and work performed in conjunction with the above-referenced project, per the Contract Documents and authorized modifications to it, and warranties that the safety padding will be free from defects due to defective materials or workmanship for one (1) year from the date of Substantial completion, which is the last day that Marathon Engineering Corporation is physically working on the project job site excluding aesthetic, remedial, and punch list work. Movement of the substrate, water intrusion, damage by others, normal wear and tear, damage caused by furniture/equipment, color fading, and failures due to unforeseen conditions or damage caused, not resulting from actions of Marathon Engineering Corporation, are not included in the warranty. Marathon Engineering makes no express or implied warranty of fitness for the intended purpose. The Customer is solely responsible for determining whether the product furnished is suitable for the Customer's intended use.
12. **PRICING:** This pricing is based on Marathon Engineering Corporation's regular work schedules and delivery. This quote does not incorporate accommodation for Liquidated Damages, overtime work, weekend work, overnight work, or double shifts in the factory to accommodate expedited delivery. If any special consideration is required to meet your project requirements, you must negotiate the additional pricing for this particular accommodation at the time that the contract is established
13. **45-DEGREE WALL TRIM:** Top of wall and bottom of wall safety padding 45-Degree wall trim elements are not included in this quote unless expressly noted in the scope of work section above. If this trim element is needed to meet an existing wall base or ceiling detail, we must be notified immediately to adjust the quote pricing to include these elements.
14. **INSTALLATION TIME PER ROOM:** Typical installation time required per room is five (5) business days.
15. **PREVAILING WAGE:** Pricing DOES INCLUDE prevailing wages. The installers are Union Carpenters.

EXPIRATION: This Contract Proposal expires sixty (60) calendar days from the date issued unless earlier withdrawn or extended in writing.
