Hearing Date: July 14, 2026
Canyon County Development Services Department

PLANNING DIVISION – STAFF REPORT

CASE NUMBER: RD2026-0008

APPLICANT/PROPERTY OWNER: Kenneth & Lisa Shelton

APPLICATION/REQUEST: Road name change to an existing private road that serves
Parcels R37431014, R37431014B, and R37431014C.

LOCATION: The subject parcels are located north of 26808 Breezy Lane,
Middleton; also referenced as a portion of the NE¼ of Section
21, Township 5N, Range 2W, B-M, Canyon County, Idaho.

ANALYST: Dan Lister, Planning Supervisor

SUMMARY:

The applicant requests that the Board of County Commissioners approve a road name change, per CCCO §06-05-13(11), to an existing private road that serves Parcels R37431014, R37431014B, and R37431014C (Exhibit 1). The request will change the name of the private road from “High Haven Lane” to “Legacy Ridge Lane”.

The subject parcels, private road, and original road name, Guidi Lane, were approved in 2022 (AD2022-0072/RD2022-0022). The previous owners changed the road name to “High Haven Lane” through a road name change in 2024 (RD2024-0025). The applicant recently completed private road construction (CP2026-0020). Private road signage installation was allowed to be delayed until the road name change request was approved.

Canyon County Code of Ordinances (CCCO) §06-05-13(11) states: *“Changing an existing street or private road name requires a public hearing by the Board and an affirmative action by the Board before any name change shall take effect. All property owners having frontage on the affected street or private road shall be notified by mail of the public hearing at least thirty (30) days before the hearing.”*

A road name change application was submitted on April 16, 2026, and includes an updated road user’s maintenance agreement pursuant to CCCO §07-10-03(1)B3 (Exhibit 1). The applicant, Kenneth & Lisa Shelton, owns all properties affected by the road name change.

The new private name “Legacy Ridge Lane” was reviewed and found to be in substantial conformance with CCCO Section 06-05-13. The proposed road names are not duplicated by sound or spelling within Canyon County (Exhibit 1.b).

A draft version of the Board’s Findings of Fact, Conclusions of Law, and Order (FCOs) may be found in Exhibit 2.

Hello Lisa,

Here is the availability of those names. I have changed the "Court" names to "Lane" as that is the required suffix for private roads per code. Please note we do not reserve road names until an application is accepted.

Legacy Ridge Lane - Available
Ironwood Ridge Lane - Available
Heritage Ridge Lane - Available
Ironwood Heights Lane - Available
Roots Ridge Lane - Available

All the proposed road names are available and distinct, however, there are currently 174 road names containing "ridge". Just something to consider. You can find a table of current road names here: <https://www.canyoncounty.id.gov/elected-officials/commissioners/development-services/dsd-gis/>
